

The diagram illustrates a print layout with three main lines: a red dashed line for bleed, a blue dashed line for the cut line, and a black dashed line for the safety margin. A red arrow points to the bleed line, a black arrow to the cut line, and a blue arrow to the safety margin. Dimensions are shown as 1.75 inches for the bleed area and 3.75 inches for the cut line area. A note at the bottom asks to delete the guideline layer before printing.

BLEED

Any artwork that reaches the cut line **needs** to extend to the edge of the **red line**

CUT LINE

This is where your artwork will be trimmed (finished size is 3.5 x 2 inches)

SAFETY

All text must be kept within the **blue line**

1.75"

3.75"

Please delete this guideline layer before submitting your design to print.
