

The diagram shows a rectangular print layout template. It features several nested lines: a red dashed line for the bleed area, a black dashed line for the cut line, a blue dashed line for the safety margin, and a green dashed line for the fold line. Dimensions are indicated with arrows: 3.75 inches for the width and 4.25 inches for the height. Text labels with arrows point to each line type. A note at the bottom asks to delete the guideline layer before printing.

BLEED

Any artwork that reaches the cut line **needs** to extend to the edge of the **red line**

CUT LINE

This is where your artwork will be trimmed (finished size is 3.5 x 2 inches)

SAFETY

All text must be kept within the **blue line**

FOLD LINE

Artwork will be folded on the green line
